St Andrew's Weekly Update

Date: 3.11.23 Headteacher: Mrs H Gillingham

Value: Hope

Dear Parents and Carers,

Welcome back to a very busy half term. Not only do we have all of our Christmas events to look forward to, we also have our Remembrance Service to prepare for. Revd. Sarah will be leading our service, in school, on Thursday 9th November at 9.00am, which you are very welcome to join us for. Our Year 6 Prefects are presently taking poppies round to the classes to collect donations for the Royal British Legion. This collection will continue into next week.

Maths

Whilst we continue our focus and emphasis on reading for all children, we are also looking closely at our provision in maths. Next week we have our School Improvement Partner coming in to conduct an Ofsted-type 'Deep Dive' in maths. He will be looking at the teaching throughout the school and talking to Miss Muncey, our Maths Subject Lead. These days are always really good opportunities for the school to gain outside expertise to monitor what we are doing.

Please do look at our subject pages on our school website for further information about maths and all other taught subjects.

Table Tennis Tournament

On Wednesday afternoon, seven Year 6 children went to Sele School for the Hertford and Ware Table Tennis tournament. The girls' team of Eloise, Rebecca and Annabelle finished 5th out of 10 teams having won 4 out of 5 matches. The boys' team of Bodie, Evan, Raphael and Noah finished 4th out of 9, having won 2 out of 4 matches. The children all loved the experience. It has set us thinking about getting some table tennis tables for the school!

Herts Food Survey

Help us to find out how people's access to food is being affected by the rising cost of living. Herts County Council is inviting one adult from every household in Herts to complete a 15-minute, anonymous survey that will help them to understand how access to food, for financial or other reasons, is being affected and where support needs to be directed to help residents. The survey will close on Sunday 5 November. Have your say:

Children's Commissioner for England - "The Big Ambition" survey

The following has been received from Children's Commissioner for England:

The Children's Commissioner recently launched The Big Ambition to hear directly from children and young people across the country about what they need to make their lives better. Thousands of children have already had their say. Now, as we approach the General Election, it is a crucial moment to take children and young people's voices to policymakers and the Government, to make sure they are heard. That is why, through The Big Ambition survey, we want to hear from children and young people about their schools, communities, family life, and the wider world, as well as what they want for their future, their hopes, dreams, and aspirations.

This survey is for all children and young people aged 0 to 18. Children aged 6 to 18 can complete the survey themselves. For those who may need additional support or for children under six parents and other adults can complete the survey on their behalf. The survey can be completed here:

www.childrenscommissioner.gov.uk/thebigambition

Through this link there is an easy read version and different questions based on the age of the child or young person. By completing 'The Big Ambition' you'll be ensuring children's voices are reflected in the decisions that will affect them in years to come."
