What is this Privacy Notice for?

St Andrew's Church of England Primary School is committed to protecting the privacy and security of personal information. We collect data and information about parents / carers of our pupils so that we can operate effectively as a school. This privacy notice explains how and why we collect parent / carer data, what we do with it, who we share it with and what rights parents have.

Why do we collect and use parent / carer information?

We process information about parents / carers as part of our legal obligation to provide an education to our pupils, to support our function of running a school and for safeguarding purposes.

What parent / carer information do we collect, hold and share?

This will include personal information such as name, name, address, telephone number and email address. It could also include information relating to your identity, marital status, employment status, religion, ethnicity, language, medical conditions and free school meal / pupil premium eligibility / entitlement to certain benefits, information about court orders in place affecting parenting arrangements for pupils.

How long do we keep the information?

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, insurance or reporting requirements, as recommended by both national and local guidelines. Certain types of data may be held for longer, e.g. safeguarding. For more information on the recommended timescales please see our school's data management plan. Copies can be requested through the school office.

Who do we share your information with?

We routinely share parent / carer information with schools that pupils attend after leaving us. We may share pupil information with the DfE, the Local Authority, and other bodies and organisations. We do not share information with anyone without consent unless the law or our policies allow us to do so. When we share personal data, we will provide the minimum amount necessary to fulfil the purpose for which it is required. For more details, please see our longer version of parental/carers privacy policy.

How can you request access to your personal data?

Parents / carers have the right to request access to information about them that we hold via a Subject Access Request (SAR). To make a request for you or your child's personal data, contact our DPO Team by email at DPO@standrews323.herts.sch.uk or in writing through the School Office. Our named DPO is Ann Pulford.

The legal timescales for the school to respond to a Subject Access Request is one calendar month. As the school has limited staff resources outside of term time, we encourage you to submit Subject Access Requests during term time and to avoid sending a request during periods when the school is closed or is about to close for the holidays, if possible. This will assist us in responding to your request as promptly and fully as possible. For further information about how we handle Subject Access Requests, please see our Data Protection Policy.
