

St Andrew's C of E (VC) Primary School Pupil premium strategy / self-evaluation 2020-21

1. Summary information					
School	St Andrew's Church of England (VC) Primary School				
Academic Year	2020-21	Total PP budget	£33,625	Date of most recent PP Review	June 2020
Total number of pupils	231	Number of pupils eligible for PP	25 @ £1345	Date for next internal review of this strategy	Spring 2021
1. Barriers to future attainment (for pupils eligible for Pupil Premium Funding)					
Academic barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>					
A.	Our Pupil Premium (PP) pupils typically have a lower baseline when they join us in Nursery and Reception. We are committed to accelerate their progress and diminish the difference between them and their peers. They are a focus group on our School Development Plan and staff track and monitor their progress rigorously. Their attainment and progress is discussed at Pupil Progress meetings, where Phase leaders and the Special Educational Needs coordinator (SENCo) discuss the effectiveness of any interventions.				
B.	Many of our PP pupils lack confidence and need support to build their self-confidence and learning behaviours. We support them by having a dedicated Inclusion officer to support their progress.				
C.	Many of our PP pupils also have specific learning difficulties which can impact upon their progress. We have in school training and support for staff to recognise and support such difficulties. (e.g Autism lead, talk therapist)				
Additional barriers <i>(including issues which also require action outside school, such as low attendance rates)</i>					
D.	Some of our PP pupils fall into the category of persistent absenteeism - which has a clear detrimental effect upon their achievement. Our SENCo is working closely with the families to improve attendance. We also use support from outside agencies when needed.				

2. Intended outcomes		Success criteria
A.	That PP pupils make accelerated progress to close the gap between disadvantaged and non-disadvantaged pupils achievement.	That the % difference decreases – termly monitoring.
B.	Increase % of PP pupils to reach Age Related Expectations in reading, maths, writing.	That increased % of PP pupils gain Good Level of Development in Early Years combined score in end of Key Stage 1 and Key Stage 2
C.	Improve attendance of PP pupils.	PP pupils' attendance to improve – half termly monitoring by SENCo, Governing Body and Headteacher.

Action	Intended outcome	Estimated impact: Did you meet the success criteria? (Include impact on pupils not eligible for PP, if appropriate).	Lessons learned (and whether you will continue with this approach)	Cost
Targeted LSA support for PPG pupils throughout KS1 and KS2	To provide social, emotional, educational and physical support of PP pupils so that they can better access the curriculum – or support class teacher as they support PPG pupils.	Without dedicated one to one/ small group support pupils would not be able to access the curriculum. LSAs are better informed about the progress of these pupils. LSA now feel confident in providing support for this group of children, through regular training by SENDco and INCO.	To continue targeted support	£37401
Specialist SEN/Autism support – whole sch. 2 days	That pupils with particular needs are supported by expert lead throughout the school. That staff have an expert to provide advice and support.	We have an increasing level of needs in this area through the school. The support provided to pupils and staff ensures that the pupils have the best possible opportunity to thrive.	To continue targeted support	

In school Talk Therapist works with cohorts of pupils – including PP pupils	To provide immediate and/or long term emotional support for pupils exhibiting concerning behaviours or who are experiencing difficult home situations.	Our talk therapist's expertise has provided great support to many of our children throughout the school. Her advice and support for helping staff manage children's anxieties during and after Lockdown have been invaluable.	Additional targeted talk therapy time will continue to be timetabled with additional lunchtime drop in sessions.	
			Total	£37401
