St Andrew's Weekly Update

Date: 15.9.23 Headteacher: Mrs H Gillingham

Value: Community

Dear Parents and Carers,

Thank you to all parents and carers who were able to attend our 'Meet the Teacher' sessions this week. Year 6's session will be held on Monday and Year 2 will have theirs on Tuesday. We hope that these sessions are helpful and informative. For those unable to attend, all teachers will ensure that any handouts will be available to collect at the end of the school day. The main message in every session is underlining the importance of parental engagement in helping your child succeed. As stated in last week's Update, reading is a major focus for us this academic year and the more our children read at home, with your support, the greater their progress will be. We are presently reviewing our school homework policy, which will outline how you can support the learning of your child/ren. We will send this out to you as soon as it is completed. If you have thoughts about homework, then do please share at the upcoming Curriculum Evening.

Curriculum Evening

How we teach phonics and reading will also be the main focus of our Curriculum Evening – which will be held on Tuesday, 26th September. Each teacher will hold two identical sessions, the first starting at 6.00pm and the second at 6.30pm. We look forward to seeing you there.

Author Talk

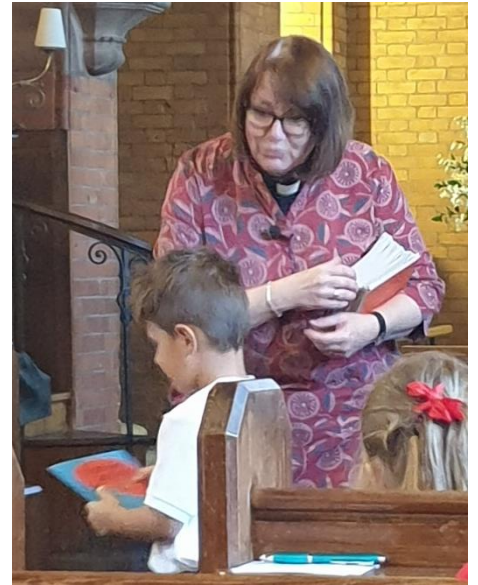

Continuing the theme of reading, Years 5 and 6 joined a Zoom call with S.F. Said, author of 'Varjak Paw' and latest release 'Tyger'. Years 5 and 6 heard how Said's first two books had been rejected over 80 times by publishers but that eventually, with plenty of perseverance, 'Varjak Paw' was picked up by a publisher after 5 years of writing and over 17 drafts! The talk certainly inspired our older children and showed them that you must never give up!

Reception's Welcome Service

Chaperoned by our Year 6 children, our new Reception class went to St Andrew's where Revd. Sarah led their welcome service. This was a lovely service attended by many of the children's parents. All of the Reception children received a gift of a book from the church which, we are sure, they will treasure.

Harvest Festival Appeal

We have launched our Harvest appeal to the children this week. We will be collecting food items (cans, dry foodstuffs - such as pasta, rice, cereals etc.) and toiletries for the local food bank. Although the items will not be opened or consumed in school, as we are a nut-free school, please can we ask that any nut products (including jars of peanut butter or 'Nutella') are not brought in to school.

We are also asking for **donations of books and toys** for a toy-book sale to raise money for the St Alban's Harvest appeal "Cracking Food Poverty Together." Money raised will go towards buying hens for Ugandan farmers - who will then be able to sell the eggs and raise money for educating and supporting their families.

For more details about this cause please click on the link below.

Donations for either of these excellent causes can be brought in by the children to their classes.

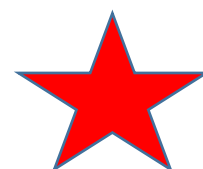

OPAL – Outside Play and Learning

This morning, during Collective Worship, the children were introduced to the new vehicles that would be available to them during break and lunchtimes. We discussed how we could use them safely and fairly. Our children have also loved playing with our new role-play boxes and being creative with old cardboard boxes and packaging.

If you are having a clear out at home and have any scooters, trikes, balance bikes or scuttle bugs that your child may have grown out of, we would love to add them to our fleet of vehicles at St Andrew's!
