## St Andrew's Weekly Update

Date: 20.10.23 Headteacher: Mrs H Gillingham Value: Community

Dear Parents and Carers,

Thank you for all who attended this week's Parent Consultation Meetings. We hope that you found the discussions helpful in terms of your child/ren's next steps in their learning journey. Thank you for all of the questionnaire responses. The Governors will be reviewing your comments and will report on their analysis as soon as possible.

### Year 3 Homework

It is clear that Year 3 have been thoroughly enjoying their topic-based homework. Isabelle and Cianna bought in stunning recreated models of Stonehenge, while Conor and Thomas brought Stonehenge-inspired cakes. Both boys had helped bake and decorate their creations and both were equally delicious. One was enjoyed by the class and the other shared with the school staff. Superb quality all round.

### Staffing News

We are rather sad, but very proud, to announce that Mrs Amanda Murray has been snapped up by 'Safer Places' to work as a Child and Family Support Worker. She is eminently suitable for this role and we know that she will absolutely shine as she supports children and families in our area. Fortunately for us, Mrs Murray will still be able to work for us for one day each week – so we are not completely losing her nurturing and caring skills. We are presently advertising for her replacement.

## Make Lunch

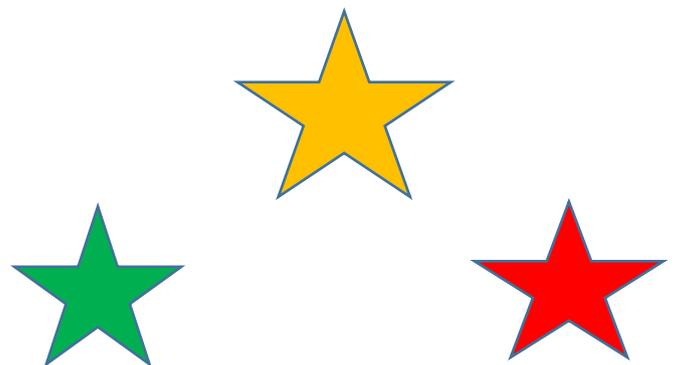

During the half term break on Monday 23<sup>rd</sup> October and Friday 27<sup>th</sup> October (12.00-2.00pm) there is the opportunity to join in with other children and parents for the 'Make Lunch' sessions. Run by church members, you and your children are invited to have some lunch and join in with a range of fun activities. I believe on the Friday session there is a special 'Light Party', where there will be films, games and treats! To join in with the fun, please contact Revd. Sarah - [vicar@3churches.net](mailto:vicar@3churches.net)

## Year 6 DT task

Year 6 used some of the vegetables picked from their trip to Stanstead Bury Farm to make leek and potato soup and harvest vegetable soup as part of their Design Technology unit. Earlier in the week they had visited the Co-op to explore where the vegetables being sold had originated from, before calculating the food miles. Some of the children are now very keen to begin growing their own crops to save the food miles. You may even have some offers to make soup over the half term break.
