St Andrew's Weekly Update

Date: 3.5.24 Headteacher: Mrs H Gillingham

Value: Dignity

Dear Parents and Carers,

Science Work

This week Year 3 have been studying forces and friction. They have measured, in Newtons, how much force it took to move their shoes. The children gradually added more mass to the shoes (water in a

bottle) and recorded their results. They were surprised how much force they needed.

Later, as part of their English work, Year 3 went 'flying' to different countries, using their very own handmade 'passports'.

Meanwhile as part of their Science unit on 'Light', Year 6 have been creating periscopes. They had great fun using a net to create the structure and then using the finished product to spy on their friends and their teacher.

Year 5 are currently studying 'Living Things' in their Science lessons. This week we set up worm farms. The class collected the worms themselves and enjoyed setting up the farms.

Exploring the Value of Dignity

Year 1 have been exploring the value of Dignity and what this means. We came up with some words to describe the value and some examples of people behaving with dignity.

The children made some beautiful posters to show their learning about this half term's value and some are on display in the school hall, a selection is show above.

Nursery Adventures

Our Nursery children were inspired by their book of the week, 'Whatever Next'. They decided to act out the story using props from all around the classroom. They also used junk materials to make models of rockets, some of which are now on proud display in the windows of their classroom.

EYFS Plea

Our Nursery and Reception children are learning about real life super heroes (people who help us) as their topic this half term. It would be wonderful if they could meet and hear from people who could visit their classes to tell them about their jobs, and maybe show them any special equipment that they use. If you are able to spend a short time with our younger children describing and sharing your job then please contact Mrs Bugg, or the School Office. Thank you.

Speech and Language Information - Introducing the FOLLOW campaign

FOLLOW is a very simple and easy to use set of strategies that parents and carers can use with their little ones to help develop speech, language and communication skills at home. The **FOLLOW** campaign will give you fun ideas and top tips on using the key strategies through everyday activities such as going for a walk, getting ready to go out and feeding the ducks!

Parents and carers play such an important role in supporting children's language skills and the campaign aims to give you the tools you need to get started! The **FOLLOW** campaign includes a 'linktree' so parents and carers can access information on speech and language development and further activities to support speech, language and communication development all in one place.

Online Cyber Safety Parent Course

Attached to this newsletter is a leaflet promoting ERSOU's Cyber Choices and Online Safety Events for parents and carers. These sessions are suitable for parents/carers of children in Year 5 (age 9) and above and will be a fantastic opportunity to learn and ask questions regarding your child's online world.

Reading Challenge

We have decided to extend the Reading Challenge to the end of this half term. Thus far, the Early Years and Key Stage 1 are leading with their enthusiastic efforts.

Reading can include the reading of online narratives, web pages and e-zines. Audiobooks are also included. One child even asked if they could publish a book and include it, to which the answer is a resounding yes. All we ask is for reading to be part of the daily diet!

Reading Army

We were commended by Ofsted for our army of reading volunteers. We are very grateful to these people who selflessly give their time to nurture our children in the most important task of all – to learn to read. However, the call is still there and we do need more volunteers. You might consider this for yourself or you may know someone who could be a 'Reading Army Volunteer'. Please do get in touch with us. You must have DBS clearance to become one of our helpers, information about this is obtainable from the School Office.

SEND and Inclusion Corner

Families Feeling Safe have sent us the following information: We are running four 'Supporting Families with Protective Behaviours' courses starting soon for parents and carers including one for dads only. Places are fully funded by HCC Targeted Parenting fund for parents across Hertfordshire who may need some additional support. One of the courses will run in Broxbourne and the others will be online and are listed below.

This 8-week term time course can help parents and carers to:

- Understand what may be influencing their child's behaviour
- Understand how Feelings, Thoughts and Behaviour link together
- Respond to a range of feelings e.g. anger, frustration, anxiety, stress and worry
- Improve communication to build better relationships
- Build on their own and their child's strengths
- Learn strategies to help them and their family feel safe

Online courses:

- Tuesdays 7 May – 2 July 7.00pm – 9.00pm for Mums, Dads & carers
- Thursdays 9 May – 4 July 7.00pm – 9.00pm for Dads and male carers
