

'Learn to love and love to learn; in God's love each one will shine'

St. Andrew's C of E (VC) Primary School

Information available under the Freedom of Information Act 2000

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we have produced a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The ICO would expect schools to make the information in this document available unless:

- we do not hold the information;
- the information is exempt under one of the FOI exemptions or Environmental Information Regulations (EIRs) exceptions, or its release is prohibited under another statute;
- the information is archived, out of date or otherwise inaccessible; or,
- it would be impractical or resource-intensive to prepare the material for routine release.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the latest model scheme for schools approved by the Information Commissioner.

The Governing Body is responsible for maintenance of this scheme.

We endeavour to make as much information as possible available online. The classes, below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it.

2. Aims and Objectives

At St. Andrew's Primary School it is our vision and aim that every child in our school will have

- positive self-esteem through inner confidence and strength
- creativity of thought within a life-long passion for learning
- excellence, high personal achievement and the experience of success
- a set of values by which to live
- an enjoyment of childhood

....developed within a caring Christian environment/

We work to enable every child to fulfil their potential, whether academic, social, physical, moral or spiritual. We are committed to providing high quality, inclusive, learning opportunities for all and this publication scheme is a means of showing how we are pursuing these aims.
