

Attendance at governing body meetings 2017/2018

The statutory requirement:

"a governing body should publish on its website up-to-date details of its governance arrangements in a readily accessible form. This should include:

- *their attendance record at governing body and committee meetings over the last academic year."*

Summary of attendance

This table shows the attendance at governance meetings of all members of the governing body. Please note that not all governors are members of all committees so would not be expected to attend all meetings.
